### **SUPERVISOR POSTMUS ANNOUNCES REINSTATEMENT OF PHELAN/PINON HILLS SENIOR LUNCH PROGRAM**

PHELAN—First District San Bernardino County Supervisor Bill Postmus announced today the reinstatement of the monthly Senior Nutrition Program luncheons in the Phelan/Pinon Hills area.

“Shortly after taking office in December and responding to requests from Tri-Community seniors, Supervisor Postmus directed the Economic and Community Development and Special Districts Departments to take the necessary steps to reinstate the lunch program,” said Brad Mitzelfelt, Chief of Staff to Supervisor Postmus. The luncheons will be held at the Phelan and the Pinon Hills Senior Centers.

The action by Supervisor Postmus re-allocates \$15,296 of “Unprogrammed First District Funds” to the Outreach and Senior Nutrition Program for Seniors at the Phelan and Pinon Hills Senior Centers. The funds are existing federal Community Development Block Grant funds.

The action was ratified Tuesday by the Board of Supervisors. The luncheons could start anytime after February 1, 2001. The actual date will be decided by the seniors as in the past, said Mitzelfelt. The once-a-month event will be coordinated and managed by the Special Districts Department, County Service Area 56. Each luncheon may include a speaker to provide information relating to senior issues.

“The Senior Outreach and Nutrition Program is a very worthwhile event that was well-received in the Tri-Community area,” Postmus said. “I am happy to have been able to help reinstate the program at the request of some of our local seniors.”
